lhecker@taradigm.com

Professional Summary

Experienced CPM Scheduler and Project Controls Consultant with over five years of expertise in schedule development, project planning, and enterprise software implementation. Specializes in Oracle Primavera Cloud and Primavera P6, with proven success in managing full-cycle software implementations, data migration, system configuration, and user enablement. Combines technical accuracy with clear communication to support successful project delivery and client satisfaction.

Professional Experience

Tararadigm, Inc. - San Luis Obispo, CA

CPM Scheduler

Apr 2023 – Present

- Develops and manages CPM schedules using Oracle Primavera Cloud and Primavera P6.
- Establishes schedule baselines, allocates resources, and performs regular progress updates.
- Conducts schedule health checks and risk analyses to support executive reporting and decision-making.
- Collaborates with project teams to ensure schedule integrity and alignment with contractual obligations.

Oracle Primavera Cloud Lead Implementation Consultant

Jun 2021 – Present

- Leads full-scale implementations of Oracle Primavera Cloud for clients in construction, infrastructure, and public sectors.
- Performs needs assessments and develops scopes of work tailored to organizational goals and system requirements.
- Configures system settings, workspaces, and project environments to meet client specific workflows.
- Oversees data migration from legacy systems into Oracle Primavera Cloud.
- Provides live and virtual training sessions, documentation, and user support to drive adoption and long-term success.
- Acts as the primary point of contact for clients throughout implementation, ensuring alignment, delivery, and satisfaction.

Oracle Primavera Lead Instructor

Aug 2019 – Present

- Delivered 200+ instructor-led training sessions for Primavera Cloud, Primavera P6, Micrsoft Project, and Bluebeam Revu.
- Authored Taradigm's self-paced training courses, used by clients nationwide.
- Supported software rollouts through user onboarding, instructional content design, and ongoing client engagement.
- Known for clear, effective communication and the ability to simplify complex software concepts for diverse audiences.

Education

University of Puget Sound – Tacoma, WA

Bachelor of Arts – May 2017
